

Our Mission

The Parent Support Division of the Academy seeks to provide parents with the insight, knowledge, skills and advice to nurture their gifted or high-ability children. To achieve this aim, we organise parent education programmes and have established the Consultation and Assessment Centre to provide parents with information and advice.

Parent Education Programme

Conferences, seminars and workshops are organised to enhance parents' understanding of gifted education, strengthen their parenting skills and provide a platform where parents can interactively learn from one another. For details and registration, please visit:
