**Great triumph of the Hong Kong Academy for Gifted Education (HKAGE) student members in the China Western Mathematical Olympiad 2010**

A team of 8 student members of the Hong Kong Academy for Gifted Education (HKAGE) represented Hong Kong and achieved excellent results in the 10th China Western Mathematical Olympiad 2010 (CWMO 2010). They won 1 gold, 4 silver and 3 bronze medals.

Organised by the China Mathematical Olympiad Organising Committee and the CWMO2010 Organising Committee, the competition was held from 26 to 31 October 2010 in Taiyuan, Shanxi Province. A total of 104 mathematically talented secondary students from 24 teams took part in the competition. The competition aimed at promoting Mathematics education in Western China, and enhancing the students' interest in learning Mathematics in order to explore more talents in Mathematics. It also steps up the interflow of mathematics education among the western provinces as well as with other regions.

The Hong Kong Team was selected after receiving Mathematics training programme organised by the HKAGE while Education Bureau (EDB) fully sponsored the Hong Kong Team to participate in the event. The Hong Kong team members also participated in various activities and visits in the vicinity of Taiyuan, Shanxi. They not only took the chance to familiarise themselves with the motherland but also have their sense of national identity, communication and inter-personal skills strengthened.

The list of awardees of the Hong Kong team is as follows:
