- 1 You are required to get parent's / guardian's approval and signature in returning this slip.
- 2 You should attend the activity punctually. If you cannot attend, please notify the relevant parties, submit a leave letter with parents' signature and reasons for absence. Absence without appropriate reasons is in fact a waste of resources and may affect the chance of being accepted to other programmes organised by the Hong Kong Academy for Gifted Education in the future.
- 3 In the event of public announcement by the Education Bureau that all schools are to be closed as a result of adverse weather conditions (e.g. tropical cyclone or rainstorm), the course scheduled on that day will be cancelled or postponed. Students will be notified with details of make-up arrangements in due course.
- 4 The HKAGE and the service provider(s) will do their utmost to ensure the safety of the student participants during the activities. Nevertheless, parents / guardians have the responsibility to decide whether the programme fits their children according to the situation of their children and the nature of the programme, and bear all the consequences. To ensure safety, parents should decide if it is necessary to arrange to send their children to the venue of the activities and pick them up after the activities.
- 5 You are encouraged to report to your parents' / guardian's and teachers about the progress in this programme.
