Leadership Course (Level III)

5-day Leadership Training Expedition

Instructors from Outward Bound Hong Kong (OBHK)

Application Deadline

23 May 2022

12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. value the opinions of others and find ways to accommodate multiple viewpoints;
2. cope with difficult situations in rural areas with appropriate planning and action with self-confidence;
3. recognise the intrinsic value of natural environments and the need to conserve and protect them.

◆ Introduction

This course is a 5 days 4 nights adventure journey in the wild environment which will serve as a platform for students to experience away from their comfort zone, work with others, develop a great sense of pride through taking up more accountability and learning from the natural consequences of their actions. Various outdoor activities will also encourage students to strive towards common goals in groups, share views of themselves and others, allow further self-understanding through the reflection process. This programme is co-organized with Outward Bound Hong Kong (OBHK).
