(Token- required)

STEM Workshop (Level I)

Innovative Technology Social Enterprise Site Visit & Workshop

Representatives from BNET-TECH Company Limited

Application Deadline
24 Jun 2022 12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. describe the overview of gerontechnology and social enterprise;

2. generate new ideas to design a gerontechnology product;

3. develop an open and creative mindset with empathy to solve social problems with design thinking concepts.

If student members withdraw from the programme after the Application Deadline, the token will be deducted.

◆ Introduction

This Site Visit & Workshop aims at inspiring students to understand gerontechnology and tech social enterprise in innovating tech products for social good. The ultimate aim is to encourage students to turn their innovative ideas into applicable products and to provide these future generations with a hands-on understanding of research and development in the technology area.
