◆ Introduction

Are you facing a research bottleneck? Don't know what to do next? Don't miss a 2-years & unique mentorship programme of Hong Kong Academy for Gifted Education(HKAGE). HKGAP provides students with an individualised and very privileged learning opportunity. One of the unique features of the HKGAP is the engagement of an Apprentice and a Master on a student self-initiated project. Apprentice is required to communicate with their Master on a regular basis and report on the progress of the research. Each apprentice must complete the selected research project before the end of the HKGAP and present the research results in different formats such as papers, lectures, workshops, etc.
