Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. figure out the trends of art industry by visiting;
2. conduct project and arrange showcase on art and culture;
3. present the rationale and progress of their creation.

◆ Introduction

The course consists of 3 phases. During phase 3 (A3ART003C), it aims at investigating the art industry and community by visiting, featuring art journal and piece by organizing mini showcase and developing their presentation skills on sharing the rationale and progress of creation. The mini showcase will be on 20 & 21 August and participants will have a chance to display their own artwork.

◆ Target Participants

- S3 to S6 HKAGE student members only in 2021/22 school year
- Class size: 26

◆ Pre-requisite

No special prerequisites are needed. However, priority will be given to students who completed A3ART001C or A3ART002C.

◆ Medium of Instruction

Cantonese with Chinese Handouts

◆ Screening

Please answer the screening question in the online application form.

*The screening question is designed to help the applicant understands the course level and the course content. The question must be answered by the student applicant and it can only be attempted once. The answer cannot be changed once the application is submitted. Selection is based on students' performance in answering the question. Only students who can demonstrate motivation and the knowledge of astronomy in the screening question can be enrolled in the programme.

◆ Certificate

E-Certificate will be awarded to participants who have:

- attended at least 5 sessions; and
- completed all the assignments with satisfactory performance
