Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. understand the historical and cultural meaning and functions of a museum;
2. enrich their knowledge of heritage, materials analysis and management, creativity and communication;
3. explain the scope of duties, the necessary expertise and knowledge of a curator;
4. acquire an insight to plan their future after meeting with people in different museum related areas.

◆ Introduction

The Future Curator Training programme is designed for secondary student members who are interested in museum work, history and culture. The programme aims to familiarise students with the museum's functions of collection, conservation, exhibition and education as well as the duties of museum curators through talks, visits, workshops, project-based learning and sharing sessions with curators. Through the theme-based project designed specifically for the year, students' knowledge about local history and culture will also be enhanced.

This programme is co-organised with the Hong Kong Museum of History.
