Mind Sport Course (Level II)

Becoming Junior Bridge Master (Phase II)

Mr Tseng Tsz Chuen and other instructors
(Founder of Hong Kong Academy of Bridge)

Application Deadline
19 Jul 2022, 12:00 noon

Result Release
25 Jul 2022

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. master advanced techniques in contract bridge and be competent to compete in competitions at inter-secondary school level;
2. enhance mathematical skills and logical thinking through exploring card combinations and bidding skills;
3. build trust and teamwork with partner and teammates.

◆ Introduction

In phase II of this course, students will carry out a more in-depth exploration of bidding, declarer play, and defense so that they can gain a solid grasp of contract bridge.

Mathematical ability, logical thinking, and reasoning skills are of utmost importance to secure victory in an ever-changing game. More importantly, communication and trust between teammates are pivotal to success in this team game. Therefore, in addition to mastering techniques in bridge, their interpersonal skills, and self-reflection ability would be improved and learned to put themselves in other positions.
