Student-initiated Event (Level I)

The Universal Language - Mathematics

Host: Jenny Jiang

Apprentice, The 4th Cohort of Hong Kong Gifted Apprentice Programme

Application Deadline
15 Aug 2022 12:00 noon

Result Release
15 Aug 2022

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. Recognise the vast applications of maths in the world around us;
2. Appreciate the beauty of maths; and
3. Enjoy learning maths inside and outside the classroom

◆ Introduction

Do you find learning maths boring?

If so, you are probably putting all your attention on gruelling calculations, But maths is much more than that. This workshop will show you how the world around us is crafted with the rules of mathematics.

Join us to find out the traces of maths patterns in plants, designs, music, card games and more!
