# Humanity Workshop (Level II): Community Laboratory Series— Community Explorers in Sham Shui Po

Ms Edith CHAN,  
Head of Imagination, Social Ventures Hong Kong

## Intended Learning Outcomes

## Application Deadline

**15 Sep 2022  
12:00 noon**

Upon completion of the programme, participants should be able to:

1. To explore how social innovation and social entrepreneurship have been applied in the local community.
2. To observe the everyday people who make life in our society happen, gain an appreciation of how their everyday acts make a difference.
3. Be inspired to take small steps to improve the quality of life of the local community and the world as a whole.

## ◆ Introduction

Advanced Learning Team under the Talent Development Division aspires to introduce student members who are passionate about societal issues an opportunity to step into the real neighbourhood. In the workshop, students will meet with different community stakeholders, to understand more about the most recent social problems, social innovation projects and social enterprises through first-hand experience.

### Workshop outline:

- Sham Shui Po community tour (visit to local shops & community facilities)
- Interviewing with different stakeholders in the community
- Showcasing themed social innovation projects
- Visiting the headquarter of Playtao Education Limited (a social enterprise itself)
