AR/VR Course (Level II)

Create Virtual Hong Kong

Hong Kong Productivity Council

Hong Kong Productivity Council

Application Deadline:
31 Oct 2022, 12:00 noon

11 Nov 2022, 12:00 noon

Result Release

11 Nov 2022

17 Nov 2022

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. understand the Virtual World Technology of VR/AR, its trend and future development;
2. develop their creative thinking and empower their innovation in the Metaverse;
3. acquire simple coding skill, and let students immerse in their creations;
4. apply the 360-degree famous sceneries of Hong Kong to design and create their Smart City;
5. identify the future study and career path linked with AR/VR technology applications.

◆ Introduction

The course enables students to learn the basics of virtual reality game creations and 3D design. Students will experience virtual reality and virtual reality in the technological environment, as well as understand the future directions and industrial applications. At the end of the course, the student will be able to create a VR Story of “Attraction in Hong Kong” with a landmark.

◆ Target Participants

- P6 to S3 HKAGE student members only in 2022/23 school year
- Class size: 30

◆ Pre-requisite

No special prerequisites are needed

◆ Certificate

E-Certificate will be awarded to participants who have:

- attended at least 8 sessions; and
- completed all the assignments with satisfactory performance

◆ Screening

Please answer the screening question in the online application form.

*The screening question is designed to help the applicant understand the course level and the course content. The questions must be answered by the applicant and can only be attempted once. The answers cannot be changed once the application is submitted. Selection is based on students' performance in answering the question. Only students who can demonstrate motivation and knowledge in the screening question can be enrolled in the programme.

◆ Medium of Instruction

Cantonese with Chinese handouts
