Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. effectively master common computer graphics software;
2. develop creativity and visual skills to express creative concepts;
3. create their own digital mascot artwork;
4. appreciate others' artworks and respect others.

◆ Introduction

HKAGE 15th Anniversary is coming soon. We are organising a mascot and logo design competition from Oct to Dec in order to enhance student members' sense of belonging, as well as promote the Academy's image and popularity in society. This programme is designed to provide relevant training on design skills. We welcome members who are new to digital drawing to join this course.

The class will focus on creative concepts for mascot, logo, video leader and practical skills. Participants could master common tools, integrate creative concepts and art works, and create higher-level digital art works individually and in teams. The computer software to be used including: Adobe Photoshop, Krita, etc.

◆ Schedule

| Session | Date | Time | Activities |
|---------|--------|-----------------------|---|
| 1 | 24 Nov | 5:00 p.m. – 7:00 p.m. | <p>Room 9, 8/F, Kwai Cheong Centre, 50 Kwai Cheong Road, Kwai Chung, NT, Hong Kong* (Map)</p> <p>*Scanning venue QR code with LeaveHomeSafe is required when entering the building</p> |

◆ Target Participants

- S1 to S6 HKAGE student members only in 2022/23 school year
- Class size: 16

◆ Pre-requisite

Basic computer skills are required.

◆ Certificate

E-Certificate will be awarded to participants who have:

- attended at least 9 sessions; and
- completed all the assignments with satisfactory performance

◆ Screening

Please answer the screening question in the online application form.

*The screening question is designed to help the applicant understand the course level and the course content. The questions must be answered by the applicant and can only be attempted once. The answers cannot be changed once the application is submitted. Selection is based on students' performance in answering the question. Only students who can demonstrate motivation and knowledge in the creative art can be enrolled in the programme.

◆ Medium of Instruction

Cantonese with Chinese handouts (Some vocabularies related to computer may be stated in English)
