 **Celebrities Talk Series**

From STEM to Skate

Mr Sidney K Chu

Hong Kong Short Track Speed Skating Team Athlete

Flag bearer for Hong Kong in the opening ceremony of Beijing 2022 Winter Olympics

Application Deadline

19 Dec 2022 12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. explain the relationship between STEM and skating;
2. be motivated to apply their STEM knowledge and skills on daily life; and
3. identify at least two elements of how the speakers achieve his own goal.

◆ Introduction

There are only three athletes were representing Hong Kong to attend the Beijing 2022 Winter Olympics. Mr Sidney K Chu was one of them and he was also the flag bearer for Hong Kong.

When Sidney was 15, he won three categories in the Hong Kong Youth Science Technology Innovation Competition for model designed to detect gene mutation from cancer datasets.

Please join us on 29 Dec to know more about his legendary life and how he balances his passion in STEM and speed skating!
