Application Deadline

5 Dec 2022

12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. recognise the great danger posed by human activities on ecological environment and species on Earth;
2. describe organic farming and its advantages;
3. reflect on contemporary lifestyle and practice sustainable living.

◆ Introduction

Sustainability Gallery (S Gallery) is one of the key public education projects of Institute of Bioresource and Agriculture, Hong Kong Baptist University (HKBU). Supplement with an interesting spaceship astronaut training story, S Gallery is furnished with advanced multimedia technologies (e.g., 4D, AR) to showcase exhibitions of biological resources, organic agriculture and sustainable living, which allows visitors to gain knowledge by an interactive approach. After the visit, visitors are encouraged to reflect on the problems of contemporary lifestyle and live sustainability.

The visit will be followed by a brief talk on the relevant undergraduate programmes at HKBU.

This workshop is under the collaboration of HKAGE and the Faculty of Science (Department of Biology), HKBU.
