The 15th anniversary of HKAGE is coming! We are now preparing various activities to celebrate the anniversary in order to deepen and enhance student members' sense of belonging, as well as promote the Academy's image and popularity in society.

In the series of Musicals Production and Performance course, participants are expected to use their creativity to create a musical. There are two phases in the course. Phase 1 will be a series of musical training, including script-writing, pop music production, lyrics-writing, and musical performance. The participants will acquire knowledge and experience in different aspects of music.

Phase 2 is planned to be held from June to Aug 2023. By using the learning products of phase 1, participants will perform a 15-20-minute musical with basic stage props and costumes. They will show the learning outcomes through the on-stage performance. Some of the scenes will be adopted to be the HKAGE anthem.

This course will mainly cover the song-writing of pop music by introducing music patterns, melody creation, as well as common rhythms and song structure. Participants will be able to understand the skills of song-writing and thus enhance their writing ability and confidence in this field.
