ROBOMASTER Training Course

TBC

Application Deadline

4 Jan 2023 12:00 noon

9 Jan 2023 12:00 noon

Result Release

27 Jan 2023

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. explain the rules of RoboMaster Tournament;
2. control the robots or drone and play the game;
3. relate and apply their robotics or coding knowledge and skills into the RoboMaster Tournament;
4. appreciate other teammates' strength and able to assigned duties accordingly.

◆ Introduction

ROBOMASTER is a robotic competition launched by Da-Jiang Innovations (DJI). It requires participants to go beyond their textbooks to form a robotics team, develop a diverse fleet of robots and participate in team battles. Students will learn the basic skills and regulations of the RoboMaster Tournament through this programme.

Student with good performance will be invited to the next stage

HKAGE Preparation Team: Mar – Aug 2023

8 of them will be selected to participate in **RoboMaster Youth Tournament 2023** on behalf of HKAGE.

Students who will be representing their own school to participate in RoboMaster Youth Tournament 2023 cannot apply for this programme.

Remarks:

- Students **MUST ATTEND** the session on **25 Feb 2023**.

◆ Screening

Please answer the screening question in the online application form.

*The screening question is designed to help the applicant understand the course level and the course content. The question must be answered by the student applicant and it can only be attempted once. The answer cannot be changed once the application is submitted.

Selection interview

HKAGE will conduct a preliminary assessment based on the content of the online screening questions and invite appropriate participants to interview by email. (If participants do not receive the interview notice, it is considered a failure thesis.)

◆ Target Participants

- S1 – S5 HKAGE student members only
- Class size: 24

◆ Medium of Instruction

Cantonese with English handouts

◆ Certificate

E-Certificate will be awarded to participants who have:

- Attended 9 sessions; AND
- Completed all the assignments with satisfactory performance.
