(Token- required)

STEM Workshop (Level I):

Visit to Sustainability Gallery

Instructor at Hong Kong Baptist University

Resource Explorer

Planting the Future

Sustainable Living

Application Deadline
20 Jan 2023 12:00 noon

Result Release
27 Jan 2023

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. recognise the great danger posed by human activities on ecological environment and species on Earth;

2. describe organic farming and its advantages;

3. reflect on contemporary lifestyle and practice sustainable living.

If student members withdraw from the programme after the Application Deadline, the token will be deducted.

◆ Introduction

Sustainability Gallery (S Gallery) is one of the key public education projects of Institute of Bioresource and Agriculture, Hong Kong Baptist University (HKBU). Supplement with an interesting spaceship astronaut training story, S Gallery is furnished with advanced multimedia technologies (e.g., 4D, AR) to showcase exhibitions of biological resources, organic agriculture and sustainable living, which allows visitors to gain knowledge by an interactive approach. After the visit, visitors are encouraged to reflect on the problems of contemporary lifestyle and live sustainability.

This workshop is under the collaboration of HKAGE and the Faculty of Science (Department of Biology), HKBU.

◆ Schedule

Session	Date	Time	Venue
1	13 Apr 2023 (Thursday)	10:00 a.m. – 12:00 noon (Please arrive at 9:45 a.m. for registration)	Sustainability Gallery, 12/F, Chan Wu Wan Kwai SCE Tower, Baptist University Road Campus, Hong Kong Baptist University (MAP)

◆ Target Participants

- P4 – P6 HKAGE student members only in 2022/23 school year
- Class size: 30

◆ Pre-requisite

No special prerequisites are needed

◆ Medium of Instruction

Cantonese

◆ Certificate

E-Certificate will be awarded to participants who have:

- attended the session; AND
- completed all the assignments with satisfactory performance.

◆ Application Procedure

This programme is Programmes with No Screening.

There are no screening questions, written test or other screening methods for this type of programmes.

- Student members can select up to 5 programmes from a list of selection. Applicants have to state the priority when submitting the application. (1st priority, 2nd priority, 3rd priority, etc). 1 token is required for each programme.

  (For programme list, please refer to the latest Programme Schedule here);

- The application can only be submitted once. After submission of the application, the programme selection and the priority cannot be changed;

- If a student member removes a programme from the application before the application deadline by withdrawal, the choice priority will remain unchanged. (For example: A student has selected three programmes and removed the programme with the 1st priority from the application. The choices of 2nd and 3rd priority will remain unchanged with no promotion in priority);

- We will select the students based on the student's choice of priorities and a randomly generated selection by the computer system. If there is time clash between the applied programme and other programmes with offer, HKAGE will consider if the application will be accepted;

- Student members should avoid applying programmes with time clash;

- The decision of HKAGE on the result of selection should be final.
