Result Release
5 Apr 2023

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. Improve plannings and skills in multiple aspects, including bidding, play, and defense;
2. Apply logical thinking skills in making decisions in the game;
3. Build trust and teamwork among partners and teammates.

◆ Introduction

The course aim to provide advanced training for students with prior knowledge in contract bridge and form a school team. The team would represent HKAGE to participate in competitions. During the course, we would continue to have lecture on more efficient bidding system, declarer play technique, defense signal and strategies; practical timeslot would be included every session. There would be 3 phases throughout the year. In each phase, one to two competition opportunities with external teams would be arranged. The format of the competitions would be friendly match with other secondary school students or even participate open tournament.

Bridge is the game of logic. It also the game of calm and partnership. Students' emotional intelligence, resilience, and communication skills will be improved greatly through the mill of training and competitions.
