Intended Learning Outcomes

Upon completion of the programme, participants should be able to.

1. enhance aspiration for exploring interests in multiple areas
2. enhance interest in mind sport
3. identify at least two elements of how the speaker achieve his own goal

◆ Introduction

Have you ever heard about contract bridge? Guess what? This is a sport event in Asian Games! Hong Kong team even won two silver and two bronze medals in last game. We are honored to have Mr Gordon HO Hoi Tung, silver medal winner, to share his bridge career, and the philosophies on life he learned from bridge, and introduce this elegant mind sport to all participants.

Speaker, Mr Gordon HO Toi Tung maintained a good balance between his profession and interest. Although Mr HO started his career in a “Big4” public accounting firm upon his graduation from university, it does not slow down his pace as an athlete. When he represented Hong Kong to go on the expedition to the Asian Games 2018, he was the youngest member of the team. At just 26 years old, he won a silver medal in the super mixed team event.
