

E1ENV001T
(Not-token required)

 **Ecology Talk (Level I)**
**Marine Biodiversity and
Conservation of Hong
Kong**

Representatives from School of Life Sciences
The Chinese University of Hong Kong

Application Deadline
26 June 2023 12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. explain the importance of marine conservation;
2. enhance their empathy and compassion on endangered species and environment.

◆ Introduction

To enhance student's understanding on marine biodiversity, marine conservation, reef fish and coral in Hong Kong, seminar will be organized by AFCD. This one-hour seminar will be given to introduce the marine environment and conservation in Hong Kong. Through the seminar, we hope the message of protecting marine environment and resources can be delivered to the young generation.

◆ Schedule

Session	Date	Time	Venue
