 Academic Introductory Talk Series

Maritime Expert

Representative of Marine Region
Hong Kong Police Force

Application Deadline

9 May 2023

12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. explain the curriculum of the “Maritime Expert” course;
2. familiarise with the training facilities and venue of the course.
3. cultivate and enhance law-abiding awareness;

◆ Introduction

The purpose of this talk is to provide an overview of the “Maritime Expert” course, which covers an introduction to the work of Marine Police, basic navigation and engineering knowledge, as well as developing students’ leadership, teamwork, and communication skills through simulated navigation and police work scenarios. The talk will also include a tour of the training facilities for the “Maritime Expert” course, including the Police Launch Simulator and Police Training Launch at the Marine Police Training School.

This talk is under collaboration with Marine Region, Hong Kong Police Force.
