2D Animation Course (Level IV)

2D Computer Animation and Story Creation of Chinese Culture (Phase 3) *Total 3 phases

Instructor: Lecturers from School of Arts and Social Sciences,
Hong Kong Metropolitan University

Application Deadline

12:00 noon

12 Jun 2023

Result Release

21 Jun 2023

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. Understand the essential elements and knowledges of Chinese History, Literature and Culture;
2. Plan and execute the whole 2D animation production workflow including pre-production, production and post-production steps;
3. Master the basic editing tools of 2D computer animation;
4. Apply multiple animation principles and skills to make the animation's graphic and audio more vivid;
5. Collaborate with others to produce an original short 2D animation related to Chinese culture.

◆ Introduction

The course consists of three phases. In the Phase 3, students will be able to put their ideas into practice and create a 2D animated short film with Chinese culture. This programme is co-organized by Tin Ka Ping Centre of Chinese Culture and Department of Creative Arts, under the School of Arts and Social Sciences at Hong Kong Metropolitan University.
