🔍 Future Insight Talk Series

It's all about.... Occupational Therapy

Registered Occupational Therapist

Application Deadline

12 July 2023

12:00 noon

Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. outline the future studies and career pathways in occupational therapy or related field;
2. describe the responsibilities, prospects, and challenges of being an occupational therapist;
3. show empathy and care for the people with disabilities in the community.

◆ Introduction

What is Occupational Therapy?

What is the difference between Occupational Therapy and Physiotherapy?

How to get into Occupational Therapy professional training?

We'd like to help you explore all aspects about Occupational Therapy. You will be able to have an initial understanding and experience:

1. What is Occupational therapists' work, responsibilities, and scope of services
2. The personal character essential for being a successful occupational therapist
3. Prospects and challenges of being an occupational therapist
4. The ways of becoming a registered occupational therapist
5. Occupational therapist training in local tertiary institutions
6. Occupational therapy case sharing and trial in designing training sessions for clients

Looking forward for those who are interested, to dedicate into this meaningful profession in the future.
