## ◆ Introduction

Congratulations to all members who will be graduating from secondary school in 2022/23 and becoming HKAGE alumni soon. To celebrate this special moment, a Graduation & Appreciation Day will be held to congratulate all students on completing their courses at our academy. During the ceremony, a certificate presentation will be specifically arranged to commend and encourage our students.

Are you feeling uncertain about the new challenges ahead? Do you wish to hear from those who have gone through it before? The academy has invited our alumni, who are currently pursuing a bachelor's degree or have already entered the workforce, to share their experiences with our students. We hope that this sharing will help our students prepare for the future and inspire them to pursue further education and their careers.
