◆ Introduction

This well-being series is developed based on the theories and researches in positive psychology and positive children development. This workshop will facilitate our student members to understand and enhance their positive thinking, to be willing to foster more positive thinking in any aspects of life so that they can face adversities in any aspects of life. The well-being series also aims to equip our student members to cope with stress and anxiety in their daily life or when they encounter unexpected failures and setbacks with a better preparation by helping them to learn strategies that promote their resilience, maintaining a positive and optimistic mindset, enhancing positive emotions while reducing negative emotions, planning well of their future, continuing to pursue their goals and well-being, and creating a meaningful life.

◆ Schedule

Session	Date	Time	Venue
1	13 Jan 2024 (Sat)	10:00 a.m. – 12:00 noon	HKAGE
