◆ Introduction

Qipao (aka Cheongsam) is at once a fashionable symbol and a symbol of fashions in Chinese culture. Its popularity peaked in mid-20th century Hong Kong, where celebrities paraded everywhere in trendy outfits, exuding graceful beauty. An enduring and significant part of Chinese cultural legacy, the craft of cheongsam making has been inscribed onto the National List of Intangible Cultural Heritage of China. Up to this day, qipaos are frequently featured in our movies.

The 'Cinderella and Her Qipao' exhibition displayed qipaos worn on screen by iconic actresses and glorious selection of films. This guided tour of the exhibition specially organized for HKAGE student members let them connect with cultural landscapes of the past and get glimpse of the fashion industry.
