## ◆ Gifted Programme Introduction

This course aims to introduce gifted students to different media through interactive learning, enabling them to further understand the operation, roles, and influence of modern media, as well as the importance of news reporting. In turn, it will cultivate their news awareness and encourage them to pay attention to and research current affairs issues. To enhance learning efficiency, students will interview professionals, which can broaden their horizons on various fields and topics. These interactive activities will enhance students' critical thinking, analysis, and communication skills.

Ms. Leung Mei Po, the instructor, graduated from the Department of Chinese at Lingnan University. She further pursued studies of Journalism and Communication in The Chinese University of Hong Kong and The University of Hong Kong. She worked in various media including Ming Pao and Cable TV as reporter, chief reporter, assistant news officer, and editor. She also founded an online media “Hong Kong Animal Post” and served as chief editor.
