[**Gifted Programme**]

Environmental Science Workshop (Level I):

Meeting with Experts of Water Sustainability

School of Energy and Environment
City University of Hong Kong

Application Deadline

18 March 2024

12:00 noon

Result Release

19 March 2024

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. explain importance of water resources from both individual and business angles.
2. enhance their awareness in water protection.

◆ Gifted Programme Introduction

This workshop is organised by School of Energy and Environment in City University of Hong Kong to promote the significance of water resources amongst secondary school students. In the morning session, there is a symposium inviting top gear experts from countries and regions where socio-technological and institutional innovation have occurred to discuss the topics of water sustainability and the related international policies.

In the afternoon session, students will attend laboratory visits regarding passive radioactive cooling, systems biology for energy and the environment, and waste and biomass valorization.

◆ Schedule

Session	Date	Time	Venue
1	23 March 2024	9:00 a.m. – 1:00 p.m.	City University of Hong Kong
2		2:30 p.m. – 4:00 p.m.	

◆ Target Participants

- S1 – S6 HKAGE student members in 2023/24 school year.
- Class size: 30
- Student members would be selected randomly by the computer system. The decision of HKAGE on the result of the selection should be final.

◆ Pre-requisite

No special prerequisites are needed

◆ Medium of Instruction

English with English handouts

◆ Certificate

E-Certificate will be awarded to participants who have:

- attended ALL sessions; AND
- completed all the assignments with satisfactory performance
