[Gifted Programme]

Future Insight Talk Series

Mr Weather

Mr Leung Wing

Former Assistant Director of Hong Kong Observatory

Application Deadline

17 June 2024

12:00 noon

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. explain the categories in the meteorology industry;
2. describe the job nature, skills and challenges of a meteorologist;
3. illustrate the career path to be a meteorologist and devise a further study plan in meteorology;
4. develop personal skills such as communication, problem-solving, analytical thinking and management skills as a leader in an organisation.

◆ Gifted Programme Introduction

Have you ever dreamed of becoming a weather expert?

This talk aims to delve into the diverse facets of the meteorology industry. We will explain the different categories within the field of meteorology and elaborate on the job nature, essential skills, and challenges faced by meteorologists. Additionally, we will shed light on the career path toward becoming a meteorologist and provide recommendations for further studies in meteorology. Lastly, we will explore strategies for cultivating essential personal skills, such as effective communication, problem-solving, analytical thinking, and leadership abilities within an organizational context.
