Architectural Talk (Level I)

Discovering the World of Architecture

Registered Architect

Muses Education (Architecture) Limited

Application Deadline

8 Nov 2024

12:00 noon

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. Understand the multidimensional nature of architecture;
2. Explore the role of architects in designing and constructing the spaces;
3. Understand the profound influence of architecture on society and culture.

◆ Gifted Programme Introduction

This talk aims to provide students with an in-depth understanding of the multifaceted nature of architecture, delving into the intricate roles architects play in the design and construction of spaces. Students will also explore how architecture significantly influences society and culture, offering valuable insights into the profound impact of architectural endeavors.
