[**Gifted Programme**]

Animation Course (Level II)

IP Character Design & 2D Animation – My Avatar

Instructors from Astro Heart Limited

Application Deadline

25 Oct 2024

12:00 noon

Result Release

25 Oct 2024

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. gain knowledge about 2D animation and Intellectual Property industry development;
2. acquire an understanding of character design production processes and techniques;
3. create a personal Avatar by delving into character personalities and stories, and produce a 2D animated piece;
4. create a further study plan in the animation industry.

◆ Gifted Programme Introduction

The course is designed for student members who are new to 2D animation and character design. The content will focus on creative concepts for avatar, 2D motion, Intellectual Property design, and practical skills so that students can basically understand common tools in computer software Blender, integrate creative concepts and artworks, and create personal avatar artworks individually.
