[**Gifted Programme**]

Community Service (Level II)

Digital Dentistry Ambassadors

Faculty of Dentistry, The University of Hong Kong

Application Deadline
16 Jan 2025 12:00 noon

Result Release
24 Jan 2025

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. acquire knowledge and experience in self-performable AI-assisted dental checkup;
2. develop commitment, care & respect for others and responsibility;
3. create digital dentistry project with their reflection and observation;
4. present their project in digital dentistry and community service.

◆ Gifted Programme Introduction

In this programme, students will acquire knowledge and experience in self-performable AI-assisted dental checkup system and activities among the local community. By participating in the community dental services, their positive value such as responsibility to community will be strengthened. Students will engage in the developing of digital dentistry project, allowing them to reflect on their observations and experiences. By the end of the programme, they will present their understanding of digital dentistry and its impact on the community through the projects.
