◆ Gifted Programme Introduction

LEGO® SERIOUS PLAY® is a creative inspiration method tool emphasising “Hands-on, Minds-on”. The goals are to inspire and cultivate creativity with bricks building and to build a large number of visual metaphors such as three-dimensional scenes and characters in the form of teamwork. This workshop will be led by a certified facilitator to inspire gifted students’ boundless imagination, to enable them to effectively learn with creativity and to help them explore their own characteristics and values.
