Lo Ye Tat (Instructor from Mind Sports Elite Education)

Application Deadline
28 Feb 2025 12:00 noon

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. effectively apply Carcassonne thinking patterns and strategies for configuring meeples and various expansions;
2. adopt the mathematical probability to place the expansions effectively based on opponents' actions;
3. improve the thinking ability and analyse the configuration of meeples and various expansions in an organised manner
4. enhance their emotional management and problem-solving abilities.

◆ Gifted Programme Introduction

Carcassonne is a tile-based German-style board game for two to five players. The game board is a medieval landscape built by the players as the game progresses.

In this training programme, gifted students will provide a deeper understanding of the rules and regulations of Carcassonne, understand the eligibility for relevant local and world competitions and participant in these competitions. Then, they will enhance their thinking ability and emotional management through playing Carcassonne. Finally, they will nurture the interest and learning skills in mind sports.

The selection will be based gifted students' performance in Mind Sports Course (Level I): Introduction to Carcassonne (E1MSP002C) and the quota is 20.
