## **Intended Learning Outcomes**

Upon completion of the gifted programme, gifted students should be able to:

1. improve plannings and skills in multiple aspects, including bidding, play, and defense;
2. apply logical thinking skills in making decisions in the game;
3. build trust and teamwork among partners and teammates.

## ◆ Gifted Programme Introduction

The course aim to provide advanced training for students with prior knowledge in contract bridge and form a school team. School team members will undergo advanced training to strive for the opportunity to represent the academy in competitions. During the course, we would have lecture on more efficient gaming skills and strategies, including bidding system, declarer play technique, defense signal etc. Practical timeslot would also be included every session.

There would be 2 phases throughout the year for school team members who are attending their 1<sup>st</sup> year of training. In each phase, at least one competition with external teams would be arranged. Students will benefit from the opportunity to play friendly matches and even open tournament with other secondary school students.

Bridge is the game of logic. It is also the game of calm and partnership. Students' emotional intelligence, resilience, and communication skills will be improved greatly through the mill of training and competitions.
