Intended Learning Outcomes

Result Release
9 May 2025

Upon completion of the gifted programme, gifted students should be able to:

1. Identify the key elements of Sustainable Development Goal (SDGs) 15-Life on Land, grasping the significance and complexity.
2. Reflect on how personal values influence attitudes and actions towards SDG 15- Life on Land, fostering self-awareness and responsibility.
3. Enhance awareness of societal issues and promote community involvement, inspiring collective action towards SDGs.

◆ Gifted Programme Introduction

Table For Choices (TFC) employs Tabletop Role-Playing Games (T.R.P.G.) as an intervention method to explore social issues and promote life education. Students may develop reflection through puzzle-solving and role-playing, experience different lives, and make choices. In the workshop, students will explore social scenarios related to the SDG goal 15-Life On Land through immersive role-playing. This experience will enable them to confront ethical dilemmas and engage in discussions about conservation.

By the end of the workshop, it is expected that students will have a deeper understanding of conservation, enhanced critical thinking skills, and the ability to apply these insights to their own lives and communities.
