◆ Gifted Programme Introduction

Inline skating has rapidly developed in recent years, it has become a Tier B Sports in Hong Kong, which is considered as a promising sport with good prospects. Inline Freestyle is one of the competitive disciplines with relatively simple requirement for venue, making it particularly suitable to be developed in Hong Kong.

This programme will start from modern development of inline skating by explaining its evolution through years, its influences, career prospects, and business models. This programme will also introduce basic skating skills and knowledge of Inline Freestyle. Gifted students will prepare a small-scale competition in the final session under the guidance of coach, taking on the roles of both judges and athletes.

Mr. Yeung has been promoting inline skating for years. As an experienced inline skater, he excels in Inline Freestyle specifically in Freestyle Slide. He is also connected with athletes from the whole world.
