2. Describe different treatment methods in psychiatry and their impact on well-being;
3. Feel motivated to promote mental health awareness and be inspired to pursue further learning in this field.

Application Deadline

14 July 2025 12:00 noon

◆ Gifted Programme Introduction

Trendy Academic Talk Series

Are you curious about the different types of medical specialists?
Here's your chance to explore the field of **PSYCHIATRY**!

This summer, we are thrilled to invite **Dr. Dennis Cheung, a psychiatrist** and the medical director of a child development centre, as well as an honorary clinical assistant professor at the University of Hong Kong. Dr. Cheung is passionate about helping others, particularly through his charitable organisation that focuses on supporting children with special needs, making a positive impact in the community.

In this talk, Dr. Cheung will dive into the vital connection between our brains and behaviours, emphasizing the importance of mental health and self-care. He will share insights from his medical training, his journey to becoming a psychiatrist, his experiences in public healthcare, and his vision for the future.

Students interested in clinical psychiatry should not miss this opportunity!
