Trendy Academic Talk Series

Student-initiated programme:

“Ignite Your Genius-learn and lead”

Instructors from La Violet Education and HKAGE Student Speakers

Application Deadline

25 Jul 2025

12:00 noon

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. be inspired by the student speakers' passion for specific STEAM topics, fostering a deeper interest in learning;
2. engage in peer exchanges to gain new insights on the workshop topic, enhancing their understanding through collaborative discussion;
3. feel motivated to share their own knowledge and experiences in future settings, contributing to a culture of learning and collaboration.

◆ Gifted Programme Introduction

In this talk, students will engage with inspiring senior gifted students who will share their experiences to guide everyone to delve into the passion and creativity within the STEAM fields.

The interactive activities will spark students' interest in learning through peer exchanges and they will gain new insights during collaborative discussions as well as deepen their understanding of various topics. This is not only an opportunity to enhance critical thinking skills but also to ignite students' creativity and imagination. Students will be inspired to share their knowledge and experiences, contributing to a culture of learning and collaboration, and continue to grow in their future educational journeys.

Let's work together to build a community of gifted learners— the next shining student speaker on stage could be you!
