# [ Gifted Programme ]

**Artificial Intelligence Course (Level III)** 

# GenAl Entrepreneur – Building Your Game Company

#### Instructors from Iron Future Limited

## **Intended Learning Outcomes**

Result Release 17 Oct 2025

Upon completion of the gifted programme, gifted students should be able to:

- 1. Utilize precise prompting to command AI tools effectively;
- 2. Develop an original Al-powered project from concept to prototype;
- 3. Identify and develop strategies for Al-driven entrepreneurship in gaming industry;
- 4. Master Al literacy.

# **Gifted Programme Introduction**

#### Ready to Build the Next Great Game Company with AI? This Is Your Launchpad.

This advanced programme is designed for the next generation of builders, creators, and visionaries. This isn't just a course—it's your chance to transform your biggest ideas into playable, market-ready products.

We're putting you in the driver's seat of the most transformative technology of a generation: Generative Al. Learn to command Al with surgical precision, master the tools reshaping creativity, and develop your own original game from a spark of an idea to a functional prototype.

Transform your passion for play into the power to create. Your journey to becoming an Al-powered entrepreneur starts now!
