◆ Gifted Programme Introduction

Do you want to step into the world of art auctions? Do you imagine that being an auctioneer is only about speaking quickly and knocking the gavel? In reality, it requires deep knowledge of art, strong communication skills, and the ability to handle pressure in a fast-paced environment. In this talk, the speaker will share his insights on the role of an auctioneer, behind-the-scenes stories from major auctions, and the professional skills required in the art market.

The speaker, Mr. Felix Kwok, is a seasoned art auctioneer with a stellar reputation in the international art auction world. For over a decade, he has repeatedly set auction records, including the highest price ever for a Picasso artwork in Asia, top sales for Vietnamese art, and even orchestrated the world's first Asian film NFT auction for Wong Kar Wai.
