Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. Identify success factors in influential STEAM speeches.
2. Analyse the key elements of effective and engaging STEAM presentations.
3. Enhance core communication skills in English and Putonghua to improve global competitiveness.
4. Recognize, comprehend, and regulate emotions in oneself and others during communication.

◆ Gifted Programme Introduction

Effective communication skills are paramount for successful leaders.

- Why does it take less than a year for light to travel a light-year?
- What does it mean to calculate the value of pi to the 62.8 trillionth decimal place?
- If you invented an AI Computing Security Vault, but no one can understand how it works, what's the point?

Indeed, knowing also means knowing how to explain. Effectively conveying your ideas and innovations is an art.

This course covers topics such as "Media Speaking, Magical Presentations" , "TED Talk Practice" , "AI and Communication", "Developing a Sense of Humour", "Cures for Stage Fright", "Group Presentations", "Q&A Strategies", "Storytelling Techniques", "Hosting Skills", "Cantonese and Expression", and "Q&A Session Training". We aim to provide comprehensive training in techniques, content, and mindset.
