Mind Sport Course (Level II)

Rummikub Training Programme

Hong Kong Boardgame Education Academy

Result Release
23 Oct 2025

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. understand the rules of Rummikub competitions and analyze game situations.
2. develop advanced manipulation strategies during gameplay.
3. improve emotional management and problem-solving abilities during competitions.

◆ Gifted Programme Introduction

The second stage of the course will delve deeper into various aspects of Rummikub such as different tactics and openings, providing students with a more comprehensive understanding and mastery of Rummikub.

Students will learn to develop their own playing style, deal with common openings, familiarise themselves with endgame strategies and strengthen their weaknesses. Through challenging games and analysis, students will cultivate higher level thinking skills, improve their technique and devise better moves during play. The aim of this stage is to enable students to continue to grow in Rummikub, to develop unique strategies, to showcase their skill and intelligence in competition, and to be well prepared for matches.

Training course screening will be according to students' performance in "Introduction to Rummikub", capacity is 20.
