◆ Gifted Programme Introduction

As gifted students, shouldn't we all utilize our talents to help others? Now's your chance! Join us as we visit the Hung Hom Community Living Room to decorate it in time for the Christmas festivities alongside the center's families. You could also take the opportunity to learn more about the underprivileged in society and their stories. Don't hesitate! Broaden your horizons and get to know an often-overlooked part of society through volunteering!

The course will be guided by the mentee and mentor of 7th cohort of Hong Kong Gifted Apprentice Programme (GAP7). Mr Pang Cho Nam, the mentee from GAP7, is currently a secondary student at La Salle College. Serving in the Home of Love in Name Cheong Estate and familiarising himself with the homeless, he dedicated to conduct research on the underprivileged in Sham Shui Po as part of his project, garnering a unique perspective of the homeless in the process. His Master is Mr Lei Jih-Sheng from the Society for Community Organisation.
