[Gifted Programme]

Engineering Course (Level IV)

How Railway Shapes Our City – Delving into the Hong Kong's Railway Industry (Railway Industry in Hong Kong) (Phase I)

Instructors from MTR Academy

Application Deadline
21 Jan 2026 12:00 noon

Result Release
22 Jan 2026

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. Understand the history and development of the railway transport;
2. Outline the organisational structure and business models within the railway industry, as well as the roles and responsibilities of different stakeholders;
3. Recognise the importance of the railway industry in Hong Kong's society and economy;
4. Familiarise with the railway operations, different types of railway systems and infrastructure in Hong Kong;
5. Identify the different roles and career prospects available in the Hong Kong's railway industry.

If student members withdraw from the programme after the Application Deadline, the token will be deducted.

◆ Gifted Programme Introduction

This phase is designed to provide participants with a unique opportunity to explore the fascinating world of railway industry in Hong Kong. Participants will learn about the history and development of the railway transport in Hong Kong and how it has shaped the city's development. They will also understand the different types of railway systems and infrastructure, as well as a range of roles and career prospects available in the railway industry. By the end of this phase, participants will have a clear understanding of the railway industry, its intricacies, and its immense potential in Hong Kong.

- Phase II: Apr – May 2026
- Phase III: Jul – Aug 2026

◆ Suitable for

- S2 to S6 HKAGE student members in 2025/26 school year
- Class size: 40

This programme is same as Engineering Course (Level IV): How Railway Shapes Our City – Delving into the Hong Kong's Railway Industry (Phase I) (A4ENG004C) in 24/25 school year.

◆ Certificate

E-Certificate will be awarded to gifted students who have:

- attended at least 5 sessions; and
- completed all the assignments with satisfactory performance

◆ Screening

Please answer the screening question in the online application form.

*The screening question is designed to help the applicant understands the course level and the course content. The question must be answered by the student applicant and it can only be attempted once. The answer cannot be changed once the application is submitted. Selection is based on students' performance in answering the question. Only students who can demonstrate motivation and the knowledge of railway operations and engineering in the screening question can be enrolled in the programme

◆ Medium of Instruction

Cantonese with English Handouts
