◆ Gifted Programme Introduction

Entering the Chinese University of Hong Kong at Form 6 under the Elite Student Enrolment scheme in the BBA (Finance) faculty at that time, Phoebe rose to become a senior executive in multinational medical device, pharmaceutical, and pharma logistics companies. She was a board member of the Hong Kong Association of the Pharmaceutical Industry (HKAPI) from 2022 to 2024, where she spearheaded various initiatives benefiting the industry and society as a whole.

At the peak of her career, Phoebe bravely transitioned to Vienna to study under opera maestro Sona Ghazarian. In two years, she was recognised by Professor Ghazarian as her official protégée, began performing with different orchestras as a soprano, and started teaching classical singing.

🎵 With a Trinity College London Diploma and an ABRSM Grade 8 in Musical Theatre Performance & Classical Singing respectively, Phoebe was also a top 100 finalist in "Midlife Sing & Shine! 1" Singing Contest, proving it's never too late to pursue dreams.

☀️ Embrace limitless dreams—your life is a stage! Be inspired to listen to your inner voice and create your extraordinary story.
