Intended Learning Outcomes

Upon completion of the programme, the participants should be able to:

1. Use a wide range of Procreate tools and techniques to create polished digital artworks, including drawing, painting, layering, and colour blending.
2. Demonstrate an understanding of colour theory, composition, and diverse artistic styles, enabling them to produce complex and visually appealing digital illustrations.
3. Express emotions and self-expression through digital art, fostering self-awareness, creativity, and mental well-being.
4. Engage in peer feedback and collaborative projects, enhancing their ability to communicate ideas visually and contribute to a supportive artistic community.

If student members withdraw from the programme after the Application Deadline, the token will be deducted.

◆ Gifted Programme Introduction

This workshop aims to deepen gifted students' creative expression through digital art. The programme blends technical mastery with artistic exploration, guiding students through Procreate's tools while introducing key concepts in line work, colour theory, and composition. By end of the course, students will not only have enhanced their digital art skills but also gained confidence in expressing complex ideas and emotions visually, potentially contributing to the Academy's creative initiatives in the future.
