## ◆ Gifted Programme Introduction

This programme is one of the core programmes of the Leadership Training Programme Series.

The theme of this one-day experiential leadership camp is 'Inclusion', emphasizing the development of leadership that values diversity, empathy, and coexistence. The camp enables participants to transform the concept of inclusion into lived experience through inquiry, teamwork, and reflection in a natural setting.

Grounded in the principle that nature serves as a dynamic classroom for leadership and self-discovery, the camp demonstrates that inclusion, whether ecological or social, is best understood not through lectures, but through direct experience, reflection, and collective action.

This leadership camp seeks to deliver students a transformative experience that intertwines leadership, inclusion, and nature. By engaging mind, heart, and hands, participants will deepen their understanding of inclusive leadership while witnessing the harmonious coexistence of unity and diversity - in both human societies and the natural world.
