◆ Introduction

HKGAP is a 2-year and unique mentorship programme of The Hong Kong Academy for Gifted Education (HKAGE), which provides students with an individualized and very privileged learning opportunity. One of the unique features of the HKGAP is the engagement of an apprentice and a master on a student self-initiated and specialised project. Apprentice is required to communicate with their Master on a regular basis and report on the progress of their project. Each apprentice must complete the selected self-initiated and specialized project before the end of the HKGAP and present the project results in different formats such as papers, lectures, workshops, etc.
